

Summer Camps and How Parents May Select the Right One

Summer Camps Are Safe and Profitable for Boys and Girls

The father or mother need hesitate to send a normal boy or girl to a summer camp. The recreation camp for children is now well past the experimental stage. The ideals and standards of camp life have been thoroughly worked out by camp directors of high character. The danger of physical harm and moral contamination is much less than it would be in city streets and places of amusement. By no other investment of a similar amount of money can a fond father and mother secure for their son or daughter so much of enjoyment and benefit.

Six Essential Underlying Principles of Camp Organization

- 1.—Are the health and safety of each camper the first consideration of the director and councilors?
- 2.—Does the camp assume absolute and entire responsibility and leave nothing to chance?
- 3.—Is supervision at all times adequate, thorough and conscientious?
- 4.—Is the time of each camper accounted for and used to advantage?
- 5.—Is the individual the unit of interest?
- 6.—Is equality of opportunity so systematized that each camper is assured of a good time?

The Educational Department of the Public Ledger will cheerfully furnish detailed information concerning any of the camps in these columns

YOUNG MEN AND BOYS

CAMP PENN

16th Season. Valcour Island, Lake Champlain, N. Y.
Camp Penn will appeal to those boys and their parents who believe that a real camp can be had, while still under the shelter of a kind of playground, with nothing to do but play games.
Camp Penn has a very unusual system and a very unusual lot of boys. And our boys get a first class chance to stand on their own feet, to do things for themselves, to become resourceful and to develop character. They probably did not know they were doing it.
We have every good sport as well as activities hard to find elsewhere. We do a lot of engineering—foot bridges, pier, towers, and so on—all kinds of things. We have a fine swimming pool, a fine tennis court, a fine golf course, a fine baseball field, a fine basketball court, a fine handball court, a fine tennis court, a fine golf course, a fine baseball field, a fine basketball court, a fine handball court.
LOUIS P. HOYER, 6608 N. 10th St., Oak Lane, Phila., Pa.
